GREAT ROCK ISLAND ROUTE

TO THE EAST.

BEST DINING CAR SERVICE IN THE WORLD. The Rock Island is foremost in adopting any advantage calculated to improve speed and give that luxury, safety and comfort that popular patronage demands. Its equipment is thoroughly complete with vestibuled trains, magnificent dining cars, sleepers and chair coaches, all the most elegant, and of recently improved patterns.

Faithful and capable ma...agement and polite, honest service from employes are important items. They are a double duty-to the Company and to travelers-and it is sometimes a task difficult of accomplishment. Passengers on this line will find little cause for complaint on that ground.

The importance of this Line can be better understood if a short lesson in eography be now recited.

What is the great Eastern termini of the Rock Island Route?-Chicago. What other sub-Eastern termini has it?-Peoria. To what important points does it run trains to the Northwest?-Crummer - That fellow Gilleland St. Paul and Minneapolis, Minnesota and Watertown and Sioux Falls, Dakota. To what important Iowa and Nebraska points?-Des Moines, Daven port, Iowa; Omaha and Lincoln, Nebraska.

REMEMBER -

The Great Rock Island Route runs all regular trains to Englewood suburban station, close to World's Fair grounds, and you can save time and trouble by getting off at that point and avoid the crowd in the city.
